

FORBIDDEN LOVE

where did he
gone again?

he has always
this innocent looking.

Huh...?

Hey!
Nami...

...how did you
know I was
here?

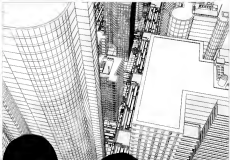

when you don't want
to attend classes you
always come here to
see the sky

Love...?

I don't say that
just because I'm a classmate—
but I had a lot of fun with
my friends.
we went out of school
and go chilling around
it was very funny

Today was
good day!
I enjoyed it!!

what is that?
why are I like that?
I'm change like that
after he found me...

what's the situation here...?

the victim is
Hagashi Teruhiko
40 years old.
he was working as
a journalist
at press company

he had really enjoyed
going to the hotel
for the night
at the dinner at
the window...

—
according to the
neighbours he was
drunk when he came
back from his work
and for some reasons
he went throw the
window...

don't jump any
conclusion
detabaku
sushigo-kun

I have some information
from his job
that he had some problems
with his insurance he owned
a large amount of money.
I think he couldn't overcome
that and committed a
suicide...

Huh..?

As I thought
it's not a normal
death

There is
a vampire's bite on
his neck...

Yeah...
Did you just say
vampire?

VAMPIRE..?

yeah!!
I heard it from
the detective
over there

CRAP!!!!

but...
How are you able
to hear that
from that distance.?

please
water right?

Yeah, I

maybe someone
I already know

water's getting
my nose, I

that's strange
the water seems
familiar to me
the sound was coming
from that door

Am I really going
to die here?

.....

Why am I always
dreaming that scene?

Hi~
Kaito-kun

How are you
doing?

Huh...?

Nami...?

You remember when you asked me
about my parents and
I said they are dead
in the traffic accident...

That's not true...
I lied to you...

Nami!

Yes!

the thing is my parents
weren't really too close
I mean I never had the chance
to meet my father...
I don't even know how
he looks like

my mom always
told me that he was a business
man and he was travelling
all the time that's why
I couldn't see him

A man sucking the blood...

as I continue to believe one day my father will come to see me...
And one day at midnight I heard a man enter in the living room I thought it was him and went check out but what I got was
A man woman who was sucking the blood of my mother...

Yeah!
At the moment I didn't know why someone should suck the blood of someone else...?
But later I understood that this person was a vampire...

A vampire...

You looking me...

I was terrified...
I couldn't run away
maybe was the fact that my mother was lying on the ground...

I hide myself...
